

In response to the COVID-19 pandemic, Invent Learning Hub is committed to working toward repair and acceleration of learning. We recognize that the pandemic has negatively impacted our programming, rate of learning, staffing, and operations.

Invent Learning Hub will be using ESSER funding for the following:

- Tutoring
- Additional Staffing
- Transportation
- Cleaning Services
- Facility maintenance
- Technology
- Curricular Materials
- DEI coaching and training
- Any other supplement determined as a need to supporting acceleration of learning
