

OH, THE WEATHER OUTSIDE IS...

YOUTH DEVELOPMENT YMCA INCLEMENT WEATHER INFORMATION

What happens when school is out for weather related delays, early dismissals, or closings? The following will help you be prepared for any of these situations.

SCHOOL DELAYS: If the start of school is delayed, YMCA staff will make every effort to be at your child's school by the normal start time, and the program will run until school begins. This is available at sites with before school care only. If your child is a before school participant, there are no extra fees for these days. If your child does not use before school care, there are additional fees for this service.

If school is cancelled during a delay, our program will be cancelled as well. We will offer camp at YMCA Centers when possible. Families will be responsible for picking their child up as soon as possible and transporting them to the designated camp location.

EARLY DISMISSAL: If school releases after 1pm, YMCA staff will provide care at the school (with school's permission) until families are able to pick up their children. To ensure everyone's safety, please pick up as soon as possible. If your child is an after school participant, there are no extra fees for these days. If your child does not use after school care, there are additional fees. If school releases before 1pm, there will be no Y program provided to ensure safety of children and staff. We will offer camp at a Y Center if possible at an additional fee. Families are responsible for transporting their child to camp.

SNOW DAY PROGRAMS: If school closes prior to 6:30am, a Snow Day Camp will be held at YMCA Centers and other predetermined school sites. See below for how to access the most up to date information and camp locations. If your child was already registered for before or after school care on the day school is cancelled, you will not be charged for attending a Snow Day Camp at any available location. We will not provide refunds for before and after care fees paid if school is cancelled. Those who were not registered for before and after care on a day when school is cancelled will be able to register and pay the Snow Day Camp fee.

WHERE TO FIND SNOW DAY CAMP INFORMATION

-  Visit our Facebook page at "YMCA YOUTH DEVELOPMENT"
-  Call the weather line at (317) 532-4919.
-  Visit our website at indymca.org/youthdevelopment.
